6. Workforce

- We have a dedicated team of
 1. Marketing department who work for promotion of the business throughout the state of Rajasthan.
 2. Sales who ensure on keeping the sales figure above than the previous years' mark.

3. Logistics who work to ensure that the life saving drugs and equipments reach the hospitals and doctors on time.

Note: All our departments work in a set of system formed by us hence all work in harmony towards the attainment of our goal as we know the value of a human life.

7. Client Base

- As our group has been operating in the state of rajasthan for over a decade now, our clientele base is one of the strongest in the government and private hospitals.
- We share excellent professional relations with the doctors as well as with the staff and the management of the top rated hospitals in the entire state.

8. Group's Future

- By the fall of the year 2012 we foresee our group's association with the big companies from other major countries like China, United Kingdom, Australia & Russia as Indian market has huge potential for these products.
- Also group's diversification into other fields of medical sciences.

- Apart from adding more companies and diversification, expanding the present business in the other hospitals & dispensaries with potential, as by the end of the year 2010 the group's turnover was INR 15,00,00,000 (over US \$3 Million) we are sure to hit the target of INR 25,00,00,000 (over US \$5 Million) by the fall of year 2012.

THANK YOU
